FOREST SCHOOL

FOREST SCHOOL
OPEN MORNING

Saturday 19 September 2026
8.30am - 12.30pm

We warmly welcome you to Forest School

As you explore Forest School today, you'll find a thriving community that is both ambitious and grounded, adventurous and supportive. We are a School full of energy and purpose, where pupils are encouraged to think deeply, pursue their passions and move forward with confidence.

You can take a tour with one of our pupil tour guides who will be able to show you the School and answer your questions from the pupil perspective. There will be staff across the site to answer any other questions you may have. Classrooms are open and you will see all our specialised spaces for Arts, Sports and Co-Curricular.

We hope that you will discover that Forest could be the right School for your family.

We are excited to invite any families with pupils of Prep School age to also visit Snaresbrook School, close by. It's a small school with big ideas and forms an integral part of the Forest Group of Schools. The Head of School is on site here today with the school itself open and ready to welcome you.

DON'T MISS...

GUIDED TOURS OF THE SCHOOL GROUNDS

Tour the School with our fantastic pupils from 8.30am, last tours at 11.30am.

WHAT CAN YOU DISCOVER TODAY?

Academic
Our academic departments will be demonstrating a range of activities to show the breadth and depth of our academic offering at Forest School. From English to Modern Foreign Languages, Biology to History – there are activities galore!

Admissions
Our Admissions Team will be available in the Upper Library and the Prep School to answer your admission questions. They can direct you and introduce you to other areas of the school and can advise on forms, processes and useful guides and booklets.

Catering
Visit our caterers, Lodestone House, in the Dining Hall to learn about our approach to food, nutrition and allergies. Food is one of the most important parts of a school day and we try our very best to get it right!

Co-Curricular & Community
Our Co-curricular and Community Team will be available in the Tuck Shop to answer questions about the range of activities we offer to develop our pupils' interests. Whatever your child's passions or planned pathways, there is a club, society or initiative for them. We have lovely, fulfilling schedules at Forest at all ages and stages.

Drama
Come and use our lighting desks, do some acting with our green screen, try our props and costumes or even allow our pupil make-up artists to use their skills to give you realistic cuts and bruises. In addition, our pupils will be doing pop-up Shakespeare pieces in the Warden's Garden during the morning.

Music
Our talented pupils will be performing in the Dining Hall, Chapel and Recital Room during the morning. Take a moment to have a relaxing cup of tea in the Dining Hall to the sound of our Music Scholars. Whether you love choral, jazz or rock, we are a very musical school!

Pastoral
Talk to our Pastoral Team in the Cloisters about the ways in which we keep our pupils happy and safe. Safeguarding is at the very heart of what we do and the world is changing rapidly.

Sport
Throughout the morning, you will be able to see football, netball, basketball, cricket, swimming and training across our facilities. We have an extensive Sports and PE department. Tell us what you want to see!
