### How old does my child need to be?

4 years old by 1 September in the year of entry.

### What is the assessment procedure?

A series of low-key activities which include: picture recognition, some letter recognition, following a pattern, knowing colours, counting, drawing, naming simple shapes, sequencing, listening to a story, playing and responding sensibly to the adults who are present.

### What are we looking for?

- Language development and understanding
- Interest and involvement
- Concentration
- Interaction with adults and peers
- Co-operation
- Co-ordination and motor skills
- Maturity

We want to see if this will be the best place for your child and if we feel they are and will be ready for the type of education that we offer at Forest. For this reason we would

request you do not specifically prepare your child for the 4+ assessment procedure.

### Early Years Foundation Stage

In Reception, there is a balance of structured activities and free-play learning activities, both indoors and outdoors each day. We follow the Jolly Phonics Programme and the Oxford Reading Tree, supported by many well-known reading schemes to develop reading skills.

There are numerous fun activities to prepare Reception pupils for more formal work in literacy and numeracy in Years 1 and 2.

Developing pupils' social skills is also a major part of the Reception curriculum.

### Siblings

The competitive entry procedure to the School means that each child is assessed on his or her individual merits, relative to all other candidates applying in that particular year. Whilst we appreciate the desire to keep families together, parents should be aware that there is therefore no guarantee or expectation that a sibling will be offered a place.
