# Forest School COVID-19 Testing Privacy Statement

## 1 Ownership of Personal Data

To enable the Covid-19 testing to be completed at Forest School, we need to process personal data for school staff including staff of onsite service providers, and pupils taking part, including sharing of personal data where we have a legal obligation.

Forest School is the Data Controller for the data needed for processing the tests and undertaking any actions which are needed by the school to ensure we meet our public health and safeguarding legal obligations.

Personal data relating to tests for pupils is governed by paragraph 7 of the Schedule to the Education (Independent School Standards) Regulations 2014 applicable.

Personal Data relating to staff is processed under the legitimate interest of the school to ensure we can minimise the spread of COVID in a timely manner and enable us to continue to deliver education services safely and securely.

For pupils and staff members who decline a test, the decision is recorded under the legitimate interest of the school to have a record of decisions and to reduce unnecessary contact with the pupil or staff member about testing.

The processing of special category personal data is processed under the provisions Section 9.2(i) of GDPR, where it is in the public interest on Public Health Grounds. This data is processed under the obligations set out in Public Health legislation (Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI)) which allows the sharing of data for COVID related purposes and where it is carried out by a health professional or someone who owes an equivalent duty of confidentiality to that data. Data Controllorship is then passed to the Department for Health and Social Care (DHSC) for all data that we transfer about you and your test results to them. For more information about what they do with your data please see the Test and Trace Privacy Notice. The establishment is still the Data Controller for the data we keep about you.
