

External candidates wishing to join Forest at 16 must first register online to sit the 16+ entrance and scholarship examination.

Candidates should select the scholarship/s they wish to apply for and whether they wish to be considered for a bursary.

GCSE Requirements

- At least three grade 7s
- At least three grade 6s
- At least grade 4 in English and Maths
- The required grade at I/GCSE in the qualifying subject/s required for their chosen courses

Entrance Examination

The entrance examination will consist of a 45 minute compulsory Critical Thinking paper administered remotely on Saturday 13 November 2021.

Essay Prompts

Candidates will be asked to respond to two short essay prompts to give us insight into their intellectual development. The essay prompts will be emailed to candidates the afternoon of Friday 15 October 2021, to be submitted by 9am, Friday 5 November 2021.

In addition, candidates need to nominate two subjects from the list below they are confident to discuss at interview with subject specialists.

The two subjects need not be the A level subjects the candidate subsequently takes at Forest. The subjects are: Biology, Chemistry, Computer Science, English Literature, French, Geography, German, History, Latin or Classical Greek, Mathematics, Physics, Religious Studies or Spanish.

Guidance for entry at 16+

The result of the critical thinking paper and essay responses will determine whether a candidate is offered:

- An interview for a fee paying place at Forest
- An interview for a scholarship at Forest

Interview for Fee-Paying students

Successful candidates will be invited to the School for an interview with members of the Sixth Form team, during which they will have the opportunity to talk about their academic work, their interests and why they want to come to Forest.

Interviews for Academic Scholarships

Candidates will have an academic interview where they will be required to demonstrate intellectual curiosity and willingness to think about unfamiliar problems.

During this interview candidates will have subject specific questions. These will probe their understanding further of the subjects they nominated. They will also have a general interview to assess their overall potential contribution to Forest Sixth Form.

Predicted Grades and References

Forest School will request a reference from the candidate's school, asking about academic standard, commitment to study, attendance and co-curricular contributions. The candidate's current school will also be asked to provide predicted grades for all GCSEs to be taken.

A 16+ sample Critical Thinking paper and further details of the 16+ entrance process can be downloaded from the School website.

We are looking for candidates who are academically able, punctual, committed and willing to get involved with a broad range of activities.

Siblings

The competitive entry procedure to the School means that each child is assessed on his or her individual merits, relative to all other candidates applying in that particular year.

Whilst we appreciate the desire to keep families together, parents should be aware that there is therefore no guarantee or expectation that a sibling will be offered a place.

Scholarships, Bursaries & Assisted Places

Scholarships

Scholarships are awarded for outstanding academic ability and exceptional attainment in art, drama, music and sport.

Forest School offers a number of academic, art, drama, music and sports scholarships annually to both current pupils and new entrants into Year 12 who meet the scholarship criteria.

FOREST
SCHOOL

Academic, art, drama, music and sport scholarships are not means-tested and are awarded in percentage increments up to 20% of full fees and are subject to annual review.

The maximum non-means-tested fee remission awarded in respect of any one pupil, whether in one area of excellence or in a combination of one or more areas of excellence is 20% of full fees.

Candidates who receive scholarships in non-academic areas are strongly encouraged to take the subject at A level.

Candidates who hold non-academic awards are expected to make a significant contribution to the relevant area, which will be monitored in an annual scholarship review meeting.

Bursaries

Bursaries are means-tested and are awarded in addition to scholarships, up to and including the total remission of fees; in other words, a free place.

Candidates are only considered for a bursary if they meet the criteria for either an academic, art, drama, music or sport scholarship (or combination of these) meaning bursaries are awarded in conjunction with a scholarship (which as above are awarded in increments up to a maximum of 20% though the majority will be smaller awards).

Parents are asked to refer to the income bands on the School website to determine eligibility for bursarial assistance.

Assisted Places

Building on our aim to allow more able pupils whose parents are unable to pay School fees join Forest, at 16+ we have introduced for September 2022 entry one 16+ Assisted Place.

This award will be means-tested and awarded at the discretion of the School to a candidate who performs strongly in the 16+ Forest entrance exam and subsequent interviews, meets the eligibility criteria and demonstrates potential to benefit from an academically challenging all round education at Forest. This will be offered as a free place (i.e. only 100% fee remission).

Additional Awards at 16+

Up to the equivalent of one place is available to entrants at 16+, sponsored by Mulalley and Company Limited.

Awards in this category are means-tested and are awarded at the discretion of the School to candidates who perform strongly in the 16+ entrance examination and subsequent scholarship interviews who meet the eligibility criteria.

Mulalley & Company Limited and Assisted Places eligibility criteria

- Candidate joins Forest School in the Sixth Form
- Candidate fulfils Forest School academic entry requirements
- Previously educated entirely in the state sector
- Means-tested in line with Forest School bursary requirements
- No subject requirement
